What began as a community of coordinated volunteers responding to flooding in Cedar Rapids Iowa in 2008 and Southeast Louisiana in 2016 launched into Fill the Needs in 2022.

Fill the Needs rapidly mobilizes our network of partners and volunteers to assess and coordinate resources required for efficient disaster response. The first 14 days following a disaster are critical for resource deployments immediately impacting the lives of people dealing with natural & man-made disasters. Beyond the first 14 days, Fill the Needs supports ongoing relief efforts by providing funding, supplies and support where they are lacking.

#### **Hurricane Ian:**

Immediately upon impact of Hurricane Ian, Fill the Needs began alerting network partners and establishing new ones. We've helped to coordinate logistics, information and supplies for our partners & developed a network of trusted partners who share information and resources to maximize the impact of relief efforts.

Our partner network outreach includes:

- search & rescue
- food, water & supply distribution
- first aid & mental health
- hot meals
- satellite imagery and mapping technology
- debris & tree removal
- transportation & logistics
- long term recovery and rebuilding

#### **Most needed items:**

Baby items/food/formula/diapers

Cleaning supplies- cleaners, towels, shovels, bleach, mold killer, paper towels garbage bags etc.

Prepaid gas cards

Personal care items

#### **FUNDING DONATIONS:**
